

## Bulletin 3: 1 June 2022

### Jubilee ringing latest

It is lovely to hear that many Guild towers are ringing their bells in celebration of the Queen's platinum jubilee celebrations and that there are squads of people traveling beyond their local tower to ensure bells all over the county are heard over the weekend. Please note that the planned ringing at Arlecdon on the afternoon of Sunday 5 June has unfortunately been put on hold as final preparations were unable to be completed in time.

If you do find yourself keen to do more ringing, please contact your local branch Ringing Officer who may be able to point you in the direction of a tower in need:

Eastern Branch: [ruth.m.gilbert@gmail.com](mailto:ruth.m.gilbert@gmail.com)

And don't forget to upload any ringing onto the specially created Bellboard event:

### Remembering Tom Metcalfe

It was touching to see a [peal rung in memory of Tom Metcalfe](#) at Kirkby in Furness last Saturday 28 May by friends and colleagues of both the Lancashire Association and our Guild. Among many things, Tom was a supporter of our Guild and will be remembered fondly.

### Influencing the future of The Ringing World publication

The Board of The Ringing World are running some focus groups to find out what ringers really want from the weekly publication, The Ringing World, in the future. Please join for an hour to share your views (positive or negative). All sessions are via zoom - 6.30 to 7.30pm:
