Bridekirk tower open afternoon

St Bridget's Church Bridekirk put on another open afternoon filled with activities and information, and a good level of attendance. Read more of the very busy event [here](#).

Cumbrian young people involved in national contest

Five Cumbria-based young ringers made the trip down Exeter on the first weekend in July to participate in the Ringing World National Youth Contest. A full write up can be read [here](#). Ringing for different teams, their commitment to get involved and travel to the other end of the country was impressive. It would be interesting to see whether the Guild has enough eligible youngsters to field our own team next year. It will be held in York - which is a little easier to get to!
